GRANT APPLICATION ERRATA

There is a discrepancy in the page limits noted for the Research Plan.

The eight-page limit noted on page 12 of the instruction document may be used. However, brevity is appreciated and if possible, less than eight-pages would be ideal.

Grant Application General Instructions: Page 4, Submission, (3) should read:

Title the PDF document using the format: Principal
Investigator/Program Director (last, first, middle) LB506 201**6**

(correction in **red** and **bolded**)
